INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Managers of
New York Animal Agriculture Coalition, Inc.
Homer, New York

We have reviewed the accompanying financial statements of the New York Animal Agriculture Coalition, Inc. (NYAAC), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of NYAAC's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of NYAAC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Freed Maxick CPAs, P.C.

Cash - beginning of year	<u>159,193</u>
Cash - end of year	<u><u>\$ 326,169</u></u>

NEW YORK ANIMAL AGRICULTURE COALITION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities: The New York Animal Agriculture Coalition, Inc. (NYAAC) is a not-for-profit organization incorporated on March 7, 2014 under the New York State Corporation Laws. The mission of NYAAC is to enhance the public's understanding of and appreciation for animal agriculture by fostering a dialogue with consumers, engagement with farmers and cooperation among members of the industry.

Basis of Accounting: The NYAAC's financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Revenue Recognition: The accompanying financial statements are presented on the accrual basis of accounting, whereby revenue is recorded when earned and expenses recorded when incurred. Dues revenue is recognized on the first of the year. Revenue from the fundraising activities are recognized when the event takes place. Grant revenue is recognized when the related expenses are incurred.

Financial Statement Presentation: The financial statements of NYAAC have been prepared in accordance with U.S. GAAP, which require the NYAAC to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the NYAAC's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of NYAAC or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions and grants are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Classification of Transactions: All revenues and net gains are reported as increases in net assets without donor restrictions in the statement of activities unless the donor specified the use of the related resources for a particular purpose or in a future period. All expenses and net losses are reported as decreases in net assets without donor restrictions.

Cash and Cash Equivalents: For the purposes of the statement of cash flows, all highly liquid instruments with an original maturity of three months or less are considered to be cash equivalents. Certificates of deposit have maturities in excess of three months.

Accounts Receivable: Accounts receivable are stated at invoice amount less an allowance for doubtful accounts. On a periodic basis, the NYAAC will evaluate its accounts receivable and establish an allowance for doubtful accounts as needed. U.S. GAAP requires the establishment of an allowance for doubtful accounts, however, no allowance for uncollectible accounts has been provided since it is believed that such allowance would not be material.

Property and Equipment: All property and equipment is stated at cost. Depreciation is calculated on the straight-line method over the estimated useful lives of the respective assets. Depreciation expense amounted to \$3,130 for the year ended December 31, 2022.

The cost of normal maintenance and repairs is charged to expense as incurred, whereas expenditures which materially extend property lives are capitalized. When depreciable property is retired or otherwise disposed of, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is reflected in income.

NEW YORK ANIMAL AGRICULTURE COALITION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTINUED

Accounting Standards require that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If such events or changes in circumstances are present, a loss is recognized to the extent the carrying value of the assets is in excess of the sum of the undiscounted cash flows expected to result from the use of the asset and its eventual disposition. NYAAC has not recorded any such losses to date.

Deferred Revenue: In accordance with the accrual method of accounting, NYAAC recognizes revenue when earned. Deferred revenue resulted from donation revenue in which the purpose of the donation has not been met. These funds have been invested in a certificate of deposit.

Advertising: Advertising costs are charged to operations when incurred. Advertising expense for the year ended December 31, 2022 was \$22,204.

Expense Recognition and Allocation: The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Accordingly, certain costs have been allocated by NYAAC amongst the program and supporting services benefited. Salaries and benefits are allocated on the basis of estimates of time and effort.

Management and general expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of NYAAC.

Expenses were allocated according to specific identification and management estimates.

Income Taxes: NYAAC is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code; therefore, no provision for income taxes has been provided for in the financial statements.

Use of Estimates in Preparation of Financial Statements: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk: Financial instruments that potentially expose the NYAAC to concentrations of risk consist primarily of cash. Although the cash accounts may exceed the federally insured amounts, management does not anticipate nonperformance by the financial institutions.

NOTE 2. LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure that is, without donor or other restrictions limiting their use, within one year of December 31, 2022:

Financial assets at year end:	
Cash	\$ <u>326,169</u>
Financial assets available to meet general expenditures over the next twelve months	\$ <u><u>326,169</u></u>

NYAAC's goal is generally to maintain financial assets to meet current liabilities.

NEW YORK ANIMAL AGRICULTURE COALITION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 3. REVENUE CONCENTRATION

NYAAC receives a grant from Dairy Promotion Order (DPO) to support its operations. The grant is recognized as revenue in the year for which the funds are awarded. NYAAC was awarded \$370,036 under the DPO grant for the year ended December 31, 2022, representing approximately 70% of the NYAAC's revenue for the year then ended.

NOTE 4. EQUIPMENT

Equipment activity for the year ended December 31, 2022 is as follows:

	<u>1/1/2022</u>	<u>Additions</u>	<u>Disposals</u>	<u>12/31/2022</u>
Construction work in process - Mobile Dairy Trailer	\$ <u>-</u>	\$ <u>15,000</u>	\$ <u>-</u>	\$ <u>15,000</u>
Equipment	\$ <u>27,861</u>	\$ <u>12,534</u>	\$ <u>-</u>	\$ <u>40,395</u>
Less: accumulated depreciation	<u>(18,667)</u>	<u>(3,130)</u>	<u>-</u>	<u>(21,797)</u>
Property and equipment, net	\$ <u>9,194</u>	\$ <u>9,404</u>	\$ <u>-</u>	\$ <u>18,598</u>

NOTE 5. CONSTRUCTION COMMITMENTS

NYAAC has an active construction project related to its Mobile Dairy Trailer project. Outstanding construction commitments amounted to \$425,000 as of December 31, 2022.

NOTE 6. SUBSEQUENT EVENTS

These financial statements have not been updated for subsequent events occurring after July 27, 2023, which is the date these financial statements were available to be issued.
